Phase 2: Visioning

+

MAPP OVERVIEW

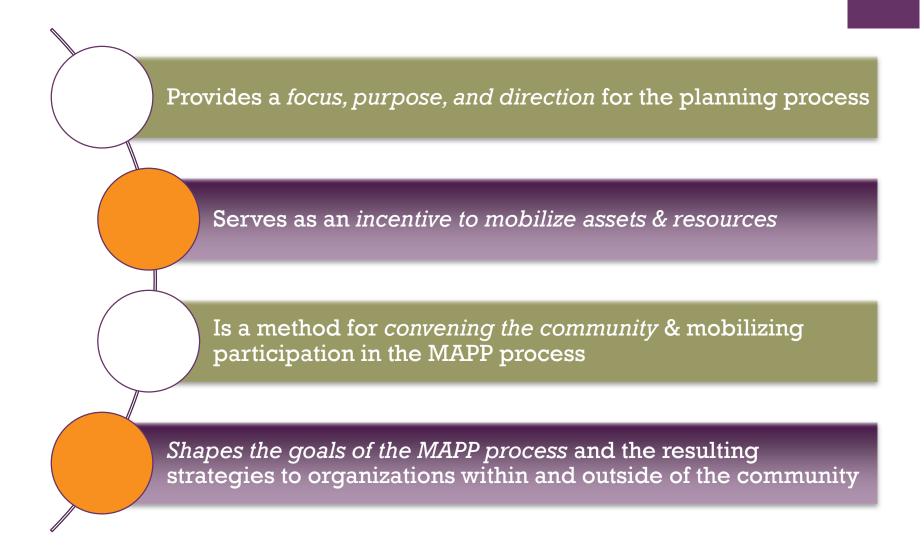

A vision is a <u>picture of the future</u> you wish to create

Why visioning is important

⁺Other Visioning Efforts throughout the County

- These should be considered to assure alignment with other countywide efforts
- See list in your packet of information

+

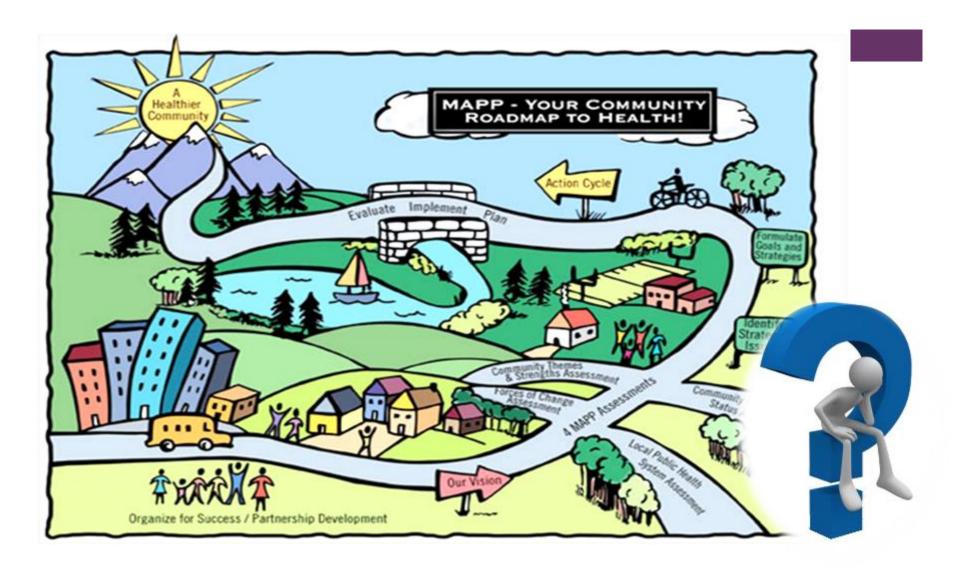

Vision Questions

What does a healthy community mean to you?

What are important characteristics of a healthy community for all who work, learn, live and play here?

Five years from now, what would we want the local newspaper to say about the health of our community?

In your ideal community, what would you hear, see, taste, touch and smell?

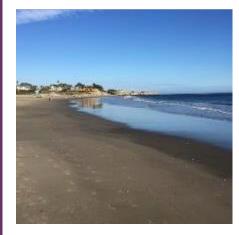

Small Group Review – Elements of a Healthy Santa Cruz County

Where do we, as a community, see ourselves in three to five years?

Create your vision in small groups
