

PART II: PROGRAM AND EXPENDITURE PLAN REQUIREMENTS

SECTION IV: IDENTIFYING STRATEGIES

Question 1: If your county has selected one or more strategies to implement with MHSA funds that are not listed in this section, please describe those strategies in detail in each applicable program work plan including how they are transformational and how they will promote wellness/recovery/resiliency and are consistent with the intent and purpose of the MHSA. No separate response is necessary in this section.

Response I:

All of our strategies are consistent with those listed in the directions in the MHSA CSS requirements.

Please see Exhibit(s) 4 for the Work Plan Summaries.
