- Zoos and museums
- Cardrooms

Additionally, bars, brewpubs, breweries, and pubs must close all operations both indoor and outdoor statewide.

Counties that have remained on the County Monitoring List for 3 consecutive days will be required to shut down the following industries or activities unless they can be modified to operate outside or by pick-up.

- Worship services
- Protests
- Offices for non-essential sectors
- Personal care services, like nail salons, body waxing and tattoo parlors

"Although Santa Cruz County is not currently on the monitoring list, with our current trend, I anticipate we will join our neighboring counties in the next two weeks," said Santa Cruz County Health Officer, Dr. Gail Newel.

The community can help reverse this trend by doing the following:

- Wash your hands
- Keep 6 feet of distance from those not in your household
- Wear a face covering
